

Watoga State Park

A variety of activities for all ages to enjoy

West Virginia's largest state park!

Welcome to Watoga State Park, the largest State Park in West Virginia, and one that was built by the Civilian Conservation Corps. I look forward to meeting you all at our naturalist programs, or out in the park in general.

I am very excited to be the Park Naturalist this year, and if you have any comments, suggestions, or questions in regard to any of the Naturalist programs, please feel free to contact me. You can find me either at the Nature Center, or you can leave a message at the main office.

If you are an educator, a community leader, or volunteer of an organization, and would like to bring your group out for individual programs, please let me know, and we will make sure we are in contact with each other. I truly hope you enjoy your stay at Watoga State Park, and hope that you will come back and see us as often as you wish.

Chris Bartley, 2017 Park Naturalist
